Chapter G2 Gatherings:

On the first Tuesday every month, G2 meets at the Cotton Patch Café in Greenville. (3128 I-30, Greenville, TX 75402) - (903) 454-2271. This has been the main meeting historically.

On the Third Tuesday every month G2 meets at Napoli's Restaurant in Wylie. (701 N Hwy 78, Wylie, TX 75098) - (972) 442-4653. This is a new satellite location started in May created to help GWRRA members who are unable to make the Greenville or McKinney/

In general the multiple location idea is what is being used in other states where geographically GWRRA Members are dispersed and small in numbers. Our Chapter usually meets multiple times for dinner anyway; this just allows more people the opportunity to participate in the chapter's affairs.

From Your Chapter Director,

While January is now over, I have to admit that it was not so bad as far as Januarys go. Our New Year's ride was a little chilly and there was the threat of rain was there but we still had 5 bikes show up and a bunch of folks in their cars. George, Donna and I showed up at the Mid-Winter round up in Temple to submit the Chapter financials, and to attend training for a multitude of Chapter related items including Webmaster, Newsletter, and MEC positions. It was a good time seeing so many other folks from other chapters whom we have built friendships.

Though a ride on the 16th was cancelled, our ride to the progressive motorcycle show, and an awesome ride to Kilgore Texas and the Country Tavern BBQ where we got to meet some new members Danny and Tammy Loveless (great couple!) and took advantage of a some of warm spring like days. This is one of the reasons I love Texas so much. Being a guy from Chicago, most of my friends up there, winterize and store their bikes until March or April. We get to ride year round and keep our skills fresh. I wonder if there are any statistics that show a reduced number of single vehicle accidents on the bikes in the south for that reason.

Our Wylie meeting at Napoli's was a good time with some new faces. David and Shirley Hale are recent transplants from Georgia and live now in the Quinlan area. They were wonderfully seasoned GWRRA Chapter folks, who you could tell understood what Chapter life has been about historically. Enthusiastic and energized as they are, I will need to step up my game leading the chapter. I was very encouraged at the end of the meeting. It was like I was given a deep breath of fresh air, and I feel reinvigorated to try to grow our group, and ride as much as possible.

We also had a couple of dinner gatherings, one at Abuelo's in Plano which Donna and I were not able to attend, and the regular get together at San Miquel's in McKinney. Donna has had her mother in town for the past couple weeks and we have had a good time taking her to meetings.

Participation is the key to having fun, and while these upcoming months are pretty full, mostly with weather permitting mystery rides and Rallies. We obviously do not expect for folks to feel obligated to join them all, there are plenty of opportunities to get those wheels rolling and enjoy the company of good friends!

Ride safe, ride often!

Dan Rymarz
TX-G2 Chapter Director

From Your Chapter Educator

Greetings Road Runners,

The last month has been off and on for riding. Hope you were able to get in a least one ride. The following article was down loaded from Look Learn and Live Website. The information is accurate and to the point:

Riding in traffic is combat riding. Don't be complacent, be proactive.

Assess the situation all around you and determine which vehicle poses the greatest threat. In almost all situations, motorcycle crashes can be avoided by practicing good rider technique and by utilizing useful knowledge and skills.

Visibility is the key to success in urban riding. Remember that visibility is a two-way street. Choose a lane and a position within the lane that makes you most visible to the vehicle that presents the greatest threat.

One of the key things about riding in traffic in a large metropolitan area, like Dallas for example, is lane positioning and your relationship to the vehicles traveling around you – particularly, staying out of their blind spot.

Motorcycles are harder to see due to their smaller size and there are many human factors that can cause a motorcycle to be missed during a motorists' check for traffic. Never assume a driver sees you just because they are looking your way. "Eye contact" is impossible to accurately determine at any significant distance.

Increase your visibility to other drivers by wearing high visibility motorcycle gear and/or using additional lighting to the front of your machine. In Texas your motorcycle can have up to 4 driving lamps illuminated at once. LED lighting widely spaced laterally on the lower fork legs of your motorcycle forms a triangle of light that is seen more readily by drivers and draws little current from your electrical charging system. Headlight modulators are also effective and are legal in all 50 states.

When approaching intersections where a vehicle is stopped (or slowing) to yield the right of way to you, reduce your speed and cover the brake controls to reduce your reaction time and create greater braking distances. Another effective tactic is to weave your motorcycle back and forth within your lane as you approach the intersection. The lateral movement this creates is much easier for drivers to see than a single headlight moving slowly toward them.

Being stopped at intersections can be perilous as well. When stopping behind traffic, always offset your motorcycle at an angle to the side of the vehicle in front of you that allows the best escape route. Always, always, always leave your machine in gear and your eyes on the rearview mirror until you are moving forward again.

Do not be the first vehicle off the line while other cars are still coming to a stop on the cross street. Sometimes the motorcyclist is the first off the line and gets nailed by someone trying to beat a yellow light. Same thing on right turns on red. Getting in too big of a rush and trying to beat the traffic can cause accidents.

When stopped at intersections of multi-lane roadways, allow the vehicle alongside you to proceed through the intersection ahead of you. If someone runs a red light or stop sign better, they get hit than you. After all, they have safety cages, seatbelts and airbags.

Riding in the right-hand lane around shopping centers is a big problem. Cars entering the road from the parking lots don't often see the motorcyclist coming up the right hand lane. Lane positioning and lane choices are very important.

As always if you need me for something just drop me an email and I will respond as quick as I can. Till next month ride safe.

From Your Regional Directors

The Region H Team is looking forward to see you at our rally in Marshall, TX, March 17-19. We are planning quite an event for you. There will be riding opportunities, vendors, good eats, great entertainment and maybe some not so great entertainment! There will be lots of new seminars and riding courses. This is the first rally of the season, so we hope you kick off another great Gold Wing year with us in Marshall.

2015 has closed. All the Districts have completed their business meetings/mid-winter gatherings. Sadly, we have closed a few chapters. But the good news is there are a lot of vibrant, fun loving and well trained chapters out there. We have over 10 new Chapter Directors taking over the reins in January. We welcome you to the Leadership Team. They have the awesome privilege and responsibility of leading his/her chapter, making sure our members' needs are being met. We want all you CD's to know if you need help, call on your District Director. He knows he can call on us. We are all in this for each other.

Here is a free word of advice and it is not original with us. "Imitation is the most sincere form of flattery". Take a look around at what other chapters are doing. Check out their webpages. Check out their newsletters. Join them for their gatherings, rides and other events. If you see something they are doing you like, take it home and implement it in your chapter. Smile, be happy. Smiles are contagious!

If we haven't met, come introduce yourself to us in Marshall (even if we have met you might refresh our memory, you know how that is!)

Jim and Reba Berry
Region "H" Director

GWRRA Vision

Gold Wing Road Riders Association [GWRRA], founded in 1977, is recognized as the world's largest single-marquee motorcycle association in the world. GWRRA provides safety, technical, and educational services to its Members world-wide.

GWRRA Mission

Dedicated to our Motto; Friends for Fun, Safety and Knowledge, GWRRA Members enjoy the freedom of belonging to a not-for-profit, non-religious and non-political organization.

GWRRA Values

Friends - GWRRA Members are men and women from all walks of life with varied interests and backgrounds. We have Gold Wing and other touring motorcycle riders of all age groups. Some ride solo and many ride with small and large groups! New Members join GWRRA especially for the technical information we share; some of our Members join for the enjoyment of riding with friends and also meeting new friends. Find your future riding friends with your [Region Map](#).

Fun - As a family organization, GWRRA has certain fun groups to include restaurant, picnic and campout runs. We also have GWRRA groups to include charities, parades, and small or large events across the country. GWRRA Members can participate in live or video seminars through [Rider Education Programs](#).

Safety - We strive for improvement through GWRRA safety workshops. We will share technical expertise, news and tips about riding, maintenance and the best touring routes in the world. [Safety is for Life](#) on our GWRRA Rider Education Programs page.

Knowledge - While generalization about a group of individuals as large as today's GWRRA is difficult, GWRRA Members are likely to be independent thinkers, fun-loving, generous, adventuresome, cooperative and unfazed by the natural challenges of riding in the rain, temperature extremes or highway uncertainties. Many Members have Find " CPR and First Aid Training " on our GWRRA Medic First Aid International® Programs.

Why belong to GWRRA?

There are many benefits to becoming a GWRRA Member. As a Member you will enjoy camaraderie and fellowship while enjoying the comfort of belonging to the largest family of Gold Wing/F6B and other touring motorcycle owners. We like to share our pleasure in the freedom of riding motorcycles with others like ourselves. Our Members strive for improvement by attending GWRRA live, video and webinar safety workshops. We offer an emergency towing and roadside assistance program called Rescue Plus. This is a benefit that ensures peace of mind, day or night. Among our 60,000 + skilled and dedicated Members can find the answer to almost any question regarding the Gold Wing! Your special Membership Card signifies your membership, along with many other benefits such as; discounts at touring motorcycle dealerships, designated hotels, campgrounds and travel agencies. As a Member, whenever you need help traveling, our Gold Book Directory connects you with your nearest friends, worldwide. Our most important benefit is sharing how to safely enjoy motorcycling in more ways than you thought possible. Belong to GWRRA!
