Chapter G2 Gatherings:

Meeting Times (6:00pm dinner, 7:00pm meeting starts)

On the first Tuesday of the month, G2 meets to discuss Chapter, GWRRA and ride information at The Buffet Palace (3202 I-30, Greenville, TX 75402) This has been the main Chapter meeting historically.

On the Third Tuesday of the month, G2 meets at Napoli's Restaurant in Wylie. (701 N Hwy 78, Wylie, TX 75098) - (972) 442-4653. This is a satellite location started in May 2016 created to help GWRRA members who are unable to make the Greenville or McKinney gatherings

In general, the multiple location idea is what is being used in other states where geographically GWRRA Members are dispersed and small in numbers. Our Chapter usually meets multiple times for dinner anyway; this just allows more people the opportunity to participate in the chapter's affairs.

From Your Chapter Director,

Happy New Year to one and all! 2016 is behind us, with all its celebrity deaths, and what awaits us for 2017 is a year full of promise and opportunities. There is so much to look forward to in 2017 not the least of which is a change in leadership in our G2 Chapter. Effective January 14th, Harry Whipple our current Chapter Educator will take back on the role of Chapter Director which he last held in 2013 and 2014. With his stint providing Motorcycle training to our young men and women in uniform out in El Paso having come to a close at the end of 2016. Harry had graciously accepted the leading role in our chapter, and I will be stepping down into a supporting role, continuing the webmaster role as well as officially taking over the Newsletter editor role. Harry will undoubtedly announce the remaining positions in G2 as folks are contacted and accept them.

This year's Rally schedule is filling up as well. Louisiana will be Kicking off the season at the end of March, The Bluebonnet, and Region H in April, and Texas in May. Donna and I are intending on going to those at very least. Also on February 5th, we will be hosting our annual Super Bowl party in our home. All are invited to attend! I will likely be firing up the smoker! Hopefully the Cowboys will have a game to play in Houston that evening!

As I always state, participation is the key to having fun in GWRRA, I fully expect that our Ride coordinators as well as the chapter staff will be trying hard to get plenty of rides and events on the calendar. But truly, that is only a part of expectations. We encourage all G2 members, regardless of status to help us come up with ideas for adventures in 2017. With Wingding being in our backyard, (Grapevine), I am sure many like Donna and I will be looking for places to visit outside the metroplex. With our daughter's wedding coming up in October I see cost effective camping in 2017 as a definite possibility! Help us plan out our year. Be part of the fun, be involved!

I thank you all for the opportunity to lead G2 for the past two years. We have had a great time doing so, and plan on remaining active as Roadrunners! God bless you all, and prayers for a healthy, prosperous, and memorable 2017!

Dan Rymarz
TX-G2 Chapter Director

From your Chapter Educator:

Greetings Roadrunners.

From the Educator

Greetings Road Runners,

2016 is in the books and we ended it with a bang. We have 5 other events besides the Monthly Chapter meeting with a total of 68 Participants. Now is time to start out 2017. The Chapter is already off to a good start with the annual Ride to Babes in Garland. Although weather prevented us from riding out bikes, 14 people showed up to eat. Babes provided their usual outstanding feast and I'm sure no one left with less than an over filled feeling. After the feast some gathered at the 5c Arcade that was across the street. Numerous challenges we issued and responded to with no clear cut winner. The tickets that were gathered by everyone were cashed in and were given to one little boy to pick out whatever prize he wanted. Fun was had by all and I will look into other events along that line.

From the District Educator:

Mid-Winter Round Up January 14, 2017

The Texas District Mid-Winter Round up will be held in Wichita Falls on January 14. This is a time for all officers to get together for training updates, turning in chapter paperwork, and planning for the New Year. We will also recognize our top 3 Educators of the Year at Mid-Winter.

Texas District Raffle

Each year, Rider Education holds a raffle to help offset some of our costs for supplies and help pay for our Level 4 meal at the State Rally. The drawing will be held at the State Rally in May. Tickets will be bound in booklets of 50 this year using a gummed edge instead of staples for easier distribution.

Rider Educator Resource

As you remember, we had a very successful raffle for a YETI package last year that included a 50 qt. cooler, 2 tumblers and 2 coasters. Since this went so well, we are offering YETI products again this year. This year, each ticket sold will be entered into 2 drawings for YETI packages. The first drawing will be a Tundra Roadie 20 Cooler (fits on a trailer tongue well) and two large YETI tumblers. The second drawing will be for a Hopper soft-sided cooler, a Rambler Thermos, and a two lowball rambler. We also will have a YETI incentive for whoever sells the winning tickets. If each educator could sell only 2 books of tickets, we could gross over \$2500! Flyers, tickets, and full information will be distributed at Mid-Winter

Rider Educator Resource

You have probably heard that GWRRA has made a commitment to improve all of its training through a completely revamped instructional philosophy to make all classes offered world-class. The Instructor Certification Training Program (ITCP) is an intense training in the new style of instruction. Gone will be the seminars where the leader uses a boring PowerPoint and reads every slide to you. The new instructional method strives to be very interactive with the audience participating in all aspects of the training module. The next ITCP instructor training will be in Guthrie, Oklahoma on Feb 18 & 19. We will have a few candidates (myself included) who have started the process for certification that includes viewing several videos and debriefing with National staff before selection to continue the training.

If you would like to see the modules that have been developed so far, there is a list of them at <http://gwrradot.com/resources/learning-module-list/>. We hope to have instructors available to start the new modules in March. In the meantime, most of the older seminars will still be available if your chapter needs training. Just contact any of the instructors from the list provided to you or contact us for another list.

- Texas is poised to have a decrease in fatal motorcycle crashes
- TTI is developing an interactive online map of popular motorcycle roads
- Indiana ABATE's Jay Jackson and Total Control's Lee Parks identified as potential speakers for the Statewide Motorcycle Safety Forum

TTI researchers have published a comprehensive motorcycle crash analysis, detailing factors and details of crashes around Texas. If you wish to read the minutes of the meeting just go to their Web site and download the information.

Last but not least I'm looking for someone to replace me as Chapter Educator. If you have a little time on your hands and want to promote Rider Education just let me know and I will give you a packet to look over to see if it's for you. Till next month safe riding.

Harry Whipple
G2 Chapter Educator

At birth we boarded the train and met our parents,
and we believe they will always travel on our side.

However, at some station our parents will step down from the train,
leaving us on this journey alone.

As time goes by, other people will board the
train;
and they will be significant
i.e. our siblings, friends, children,
and even the love of your life.

Many will step down and leave a permanent
vacuum.

Others will go so unnoticed that we don't realize
they vacated their seats.

This train ride will be full of joy, sorrow, fantasy,
expectations,
hellos, goodbyes, and farewells.

Success consists of having a good relationship
with all passengers requiring that we give the
best of ourselves.

The mystery to everyone is:
We do not know at which station we ourselves will step down.

So, we must live in the best way, love, forgive, and offer the best of who we are.

It is important to do this because when the time comes for us to step down
and leave our seat empty we should leave behind beautiful memories
for those who will continue to travel on the train of life.

I wish you a joyful journey on the train of life. Reap success and give lots of love.

Lastly, I thank you for being one of the passengers on my train.

(By the way, I am not planning to get off the train anytime soon
but if I do, just remember I am glad you were part of my journey.)

Tommie Elliot
Ride Coordinator

From the Region Director

Hello Region H.

Merry Christmas and Happy Holidays. Reba and I killed two birds with one stone in November. We had Thanksgiving and family Christmas on the same weekend. When you have kids scattered all over the U.S., you have to do what you have to do. 9 grandkids plus an assortment of nieces, nephews, uncles, aunts, brothers, sisters, in-laws and “outlaws” insured an action-packed weekend. I can’t remember how many trips around the block on the old Gold Wing there were.

In December, we have our Chapter Christmas gathering, the Bawcomville Red Neck Christmas Parade (where the most cherished throw is rolls of toilet paper and yes, this is right down the street from the Duck Dynasty location), toy runs, firework displays and Christmas musicals. But just as exciting is the beginning of calendaring for next year. Since I (Jim) am retiring at the end of January, we are excited about planning for next year. All the rallies, a cruise or two and leading the chapter on some long rides, including Nova Scotia. We love this time of year.

Here are some noteworthy items for you:

1. We have announced new District Directors for Oklahoma and Kansas. Please welcome on board the new OK District Directors, John and Shawn Irons, OK Chapter X, Stillwater, OK. Your new KS District Directors are Bill and Sarah Watts of KS Chapter H in Hutchinson, Kansas.
2. There are new email addresses listed in this newsletter and on the webpage for our Region Trainer and our Region Treasurer. We discovered their email host was not real cooperative with the email forwarding from our website.
3. My ax handle broke! This is my standard excuse when I screw up. After all, one excuse is as good as another and this way I can always remember what I told you. I was supposed to have sent out some officer pins several months ago and just flat out forgot to do that. Now we have a good stock of the officer wings in the patch and pin inventory. If you need any for new officers, please place the order thru the normal patch and pin process. They are FREE!
4. Don’t forget the financial reports due in January are required to be on the new GWRRA Financial Report and the Financial Cover Sheet dated 1/1/2016.

Have a great holiday season and please don’t overeat (yeah, right!).

Reba and Jim Berry
Region “H” Director

From Your District Directors

We hope everyone had a Happy Thanksgiving and a Merry Christmas. The year of 2016 has come and gone so fast. Through all the newsletters and rallies this year, Texas has been very busy. We have 23 Chapters in Texas and all but a few are doing very well. As we cannot visit every chapter in Texas, we get most of our information from your newsletters. Every newsletter is different and there is a lot of good information and ideas for every chapter newsletter to learn from.

The front page of the newsletter has a lot of good information for other chapters to know, location and time of meeting, riding locations and times, logos, mascot, banners and contact information for Chapter Director and their core team.

The article from the Chapter Director is informative about what the chapter has done and what is upcoming. The Assistance Chapter Director, Chapter Educator and Membership Enhancement Coordinator will have informative information for you also. Article from members about the fun they have had on an event they participated in.

The upcoming calendars will also keep the members informed of the upcoming events. Let's not forget all the upcoming birthdays and anniversaries as well as their GWRRRA anniversary. I guess what we are trying to say is, Chapter newsletters are a very important part of a chapter. This is where new members go to look and see how active the chapter is and if they would be interested in becoming a part of that chapter. We discourage group emails because that does not reach out to new members. If anyone needs help with a newsletter please get with us and we will get you the help you need.

Let's start the New Year with great information for your members and new perspective members.

In the last few emails we have talked about the upcoming MWRU, January 14th, 2017. We hope to see everyone there to help support their chapter. Your District Team has a lot of good information for them to pass onto their members. Let's not forget the items that will be handed out for your Chapter Participation game after opening ceremony at the District Rally. Everyone will be impressed what the district team has come up with for "The Gathering of the Tribes".

LET'S NOT FORGET THE FINANCIALS AND CHOY PAPERWORK FOR 2016.

Let's get out there and Ride, Visit and have Fun.

Mike & Robin Thacker
Texas District Director
