**GWRRA Region H South Central Texas District  
Chapter G2 Greenville, TX  
June 2014\*\*\*\*\* Established October 2001**

From the CD;

First I would like to announce that Dan and Donna Rymarz have accepted the position of Assistant Chapter Directors. This is in addition to being the Chapter Webmaster. Welcome and thanks for stepping up. If you go to the [GWRRA.org](http://GWRRA.org) they are offering 20% off on all apparel for the Pre Wing Ding Sale. the code to enter if you order on line or call is MAY20OFF. District is also seeking input from the Texas Rally. Go to [GWRRA.TX](http://GWRRA.TX). The front page has two stars to click on. The Gold star is for anyone that attended the rally or was pre registered and could not make it. The Green star is for anyone that did not attend the rally. The survey is anonymous so let them know what you think. The information will be used to make the 2015 Rally better. Next on the list is , did you know Wing World has an I Pad App. Just go to [GWRRA.org](http://GWRRA.org) and download the app. Not sure if it is available for Windows. The android is currently in testing. As always you can go to the GWRRA, and log in to members portal and read the magazine. I have a proposed schedule to Wing Ding this year. Its 26 pages long and will gladly email it to anyone who want it. The Region Newsletter is available at <http://www.gwr-ra-h.org/news.htm>. There are links included on the site to the 5 district web pages as well to national events. All for this issue. Be safe and ride safe.

From the Chapter Educator:

New poster from Look Learn and Live asks the question how many safety features on a car do not come on a motorcycle? How many can you name. First all but one motorcycle does not have overhead or side or front air bags. There is no roof on a motorcycle. There is no crumple zone, no doors, no extended numbers, no back up camera and no seat belts. Did I miss any? These are all good reasons to ensure you keep your motor cycle out of a crash.

From Dan and Donna Rymarz

The Texas District Rally in Tyler was attended by Tommie, Judy, Dan, Donna, and George. This had been my first District rally (Me being Dan). And would it a whole lot of fun and full of great information, networking with other GWRRA members, and also very profitable (I will explain in a moment).

The Day did not however start in a positive way as Donna and I were planning on riding with Suzette Wood to get the rally in time for the "couple of the year" judging and activities. Paul Wood was to meet us down in Tyler later that evening after he got off of work. A few blocks from where we met up with Suzette the road was still wet from rain the previous night, and Suzette's very lite Suzuki motorcycle lost traction at a stop light and she went down hard. Tommie and Judy met us all at the emergency room in Richardson as Suzette found out her left upper arm was broken. We all waited for Paul to arrive from work and for Suzette to be released. Stuff happens and we do not leave folks behind and alone! (she is on her way to recovery BTW).

There were plenty of good vendors selling great products and great prices, there were classes to aid members in building skills and knowledge, and events that were fun and good at building friendships.

On Saturday, just before the costume contest, I bought \$20 in grand prize tickets. Tommie and Judy won most creative costume, Donna won most fun costume, and then Donna also won the grand prize of \$500 on Friday night. On Saturday I followed my same purchase of \$20 in grand prize tickets, George purchased 50/50 tickets. Amazingly George won BOTH 50/50 drawings one after the other. And then Donna won the Grand prize drawing for that Saturday as well! Another \$500! It was a great time even if we had not won all that money, and I hope more people are able to attend next year!

## THE MAGIC BANK ACCOUNT

Imagine that you had won the following **\*PRIZE\*** in a contest: Each morning your bank would deposit \$86,400 in your private account for your use. However, this prize has rules:

### The set of rules:

1. Everything that you didn't spend during each day would be taken away from you.
2. You may not simply transfer money into some other account.
3. You may only spend it.
4. Each morning upon awakening, the bank opens your account with another \$86,400 for that day.
5. The bank can end the game without warning; at any time it can say, "Game Over!". It can close the account and you will not receive a new one.

### ***What would you personally do?***

You would buy anything and everything you wanted right? Not only for yourself, but for all the people you love and care for. Even for people you don't know, because you couldn't possibly spend it all on yourself, right?

You would try to spend every penny, and use it all, because you knew it would be replenished in the morning, right?

***ACTUALLY, This GAME is REAL ...***

Shocked ? YES!

Each of us is already a winner of this **\*PRIZE\***. We just can't seem to see it.

The PRIZE is **\*TIME\***

1. Each morning we awaken to receive 86,400 seconds as a gift of life.
2. And when we go to sleep at night, any remaining time is NOT credited to us.
3. What we haven't used up that day is forever lost.
4. Yesterday is forever gone.
5. Each morning the account is refilled, but the bank can dissolve your account at any time WITHOUT WARNING...

*SO, what will YOU do with your 86,400 seconds?*

*Those seconds are worth so much more than the same amount in dollars. Think about it and remember to enjoy every second of your life, because time races by so much quicker than you think.*

So take care of yourself, be happy, love deeply and enjoy life!

Here's wishing you a wonderful and beautiful day.  
Start spending....
