## **Save the Dates:**

**Chapter I Birthday Bash**  
*June 27, 2015*  
Marshall, TX

**Wing Ding**  
*September 3-6, 2015*  
Huntsville, AL

**Kansas District Rally**  
*September 17-19, 2015*  
Abilene, KS

**Oklahoma District Rally**  
*October 15-17, 2015*  
Hulbert, OK

## **Chapter G2 Gatherings:**

On the first Tuesday every month, G2 meets at the Cotton Patch Café in Greenville. (3128 I-30, Greenville, TX 75402) - (903) 454-2271. This has been the main meeting historically.

On the Third Tuesday every month G2 meets at Napoli's Restaurant in Wylie. (701 N Hwy 78, Wylie, TX 75098) - (972) 442-4653. This is a new satellite location started in May created to help GWRRA members who are unable to make the Greenville or McKinney/

On the Fourth Thursday every month, G2 meets in San Miguel's in McKinney Texas. (506 W University Dr McKinney, TX 75069) – (972) 548-2345. This is the location and day of the original Z2 Chapter gathering. It was agreed that this meeting would continue to happen as a way to help GWRRA members who are unable to make the Greenville or Wylie gatherings.

*In general this three location idea is what is being used in other states where geographically GWRRA Members are dispersed and small in numbers. Our Chapter usually meets multiple times for dinner anyway; this just allows more people the opportunity to participate.*

## From Your Chapter Director

It is finally June and as we leave May behind, hopefully we leave the torrential and destructive rains behind. Our lakes are beyond full and so many roads have been damaged by the running water crossing where the land is low or where stream banks meet the country roads, which makes it so important to be paying close attention to the roads in from of us.

Many of the weekends which should have been spent riding around warm and inviting spring days never happened last month and so there is almost nothing to report regarding rides. Terry did have his

Tour of Arkansas ride, and Texas did have it's District Rally which was a great time! And we did enjoy each other's company at Babe's and at Napoli's Pizza in Wylie but that was about all mother nature would allow in North Texas. I personally had a motorcycle adventure the week of the 24<sup>th</sup> when I rode out to Cortez Colorado to ride with my Dad's buddies all around the beauty of the mountains, valleys, canyons and mountain passes that that great state has to offer. We rode in rain, hail, snow, temps that touched freezing, gravel, dirt and just about anything you can imagine. And with the exception of missing my lovely wife, I enjoyed this trip completely.

I did learn that I have a guardian Angel and/or a whole lot of luck. First while leaving on Sunday Morning the 24<sup>th</sup> at 5:00am I noticed a split in the storms that was moving through the Metroplex and I left at 5:45 splitting that gap and only got a little rain on 121, the pavement was soaked the whole way to Wichita Falls as I rode on the back side of the first wave while watching the second wave to my left that never quite got to me. Second, on the first day of riding we rode north from Cortez up to Lizard Head Pass, it was raining and the road was quite wet, at the top the temps dropped down to 32 degrees at 11,000 feet, Ice formed on the windshield, and there was slush in the center track, but the rode never froze enough and we all descended on the other side without an incident. Also, in Montrose after a whole morning of high speed twisties, and some aggressive riding one of my buds noticed a large screw in my front tire facing him. When I backed out the screw it started to hiss. I screwed it back in and found a local Honda dealer. I had enough air in it to make it to this dealer and replaced both tires. Turns out I had very little tread on the old ones and might have found out the hard way had I not gotten that screw in the tire at that time. Also had we not discovered that screw and we continued on to Silverton and then Durango, I would have never made it through those mountains without it going flat, and on that terrain it would have been bad news. On my way home there was not even a drop of rain all the way back to Plano despite it raining every day prior to that Saturday. And lastly while speeding through Wichita falls a state trooper stopped me. I knew I was speeding but was not sure how much. I showed him both my Driver's license and CHL as I was taught, he asked me if I was armed, I was not. He asked me why I was speeding, I explained that I had a lapse in concentration as I was watching the traffic rather than monitoring my speed. He asked me where I was coming from and where I was going to, I explained I was on my way home from Colorado to Plano. He asked me the purpose of the travel, I explained, pleasure riding in the Rockies to which he asked me if I had anything illegal on me or the bike. I stated that I did not and invited him to search if he would like (maybe I should have said New Mexico, no Pot there). He strolled back to the car and came back a few minutes later and had me sign a warning ticket... He let me go with a warning!!! What a ton of luck I experienced! But I take away a bunch of lessons learned, some great riding I had, and some friends of my Dad's who are now my friends as well!

**Dan Rymarz**  
**TX-G2 Chapter Director**

## From Your Chapter Educator

Greetings Road Runners,

I know the weather over the last month has been bad and not good for riding. But it now looks like we are in for a few sunny days now that summer is almost here. Remember before you take off on your motorcycle you: (1) make sure you are able and fit to ride. (2) make sure your bike is ready to ride by doing a through T-Clocks Inspection and (3) do an extra through plan on the ride you are going to take. All

this rain in Texas has made some roads impassable do to being flooded or torn up from the rain.

My educational tip this month is on throttle control. How well do you control your throttle? Say you are driving your car and you have a speed limit change on the road. To make the car go forward you press on the accelerator or gas pedal and the car goes forward. If you slow down for the limit change you ease off the pedal without jerking or lunging the car so you have a smooth transition. Can you do the same with the throttle on your motorcycle? Do you want to in all types of traffic or if there is not traffic?

The safe aspect on a motorcycle is when you are slowing down you always want to make sure the people behind you know what you are doing. If you are slowing down or coming to a stop you should apply some brake so the brake light comes on to let the people behind you know what you are doing.

These questions have to be answered by the rider. Your main goal to survive on the highways while enjoying the ride. Throttle control is not just about speeding up or slowing down but controlling the motorcycle during the process. If you need to make speed adjustment changes you need to do it smoothly so you do not upset the stability of the motorcycle while you are moving.

All for this month. Ride safe.

***Harry Whipple***  
***TX-G2 Chapter Educator***

### **CPR, AED, and First Aid Training Programs**

- BasicPlus CPR, AED, and First Aid for Adults
- CarePlus CPR and AED
- Child/Infant CPR and AED
- PediatricPlus CPR, AED, and First Aid for Children, Infants, and Adults

### **About MEDIC First Aid/HSI**

1. MEDIC First Aid CPR, AED, and First Aid training programs are developed by the Health and Safety Institute (HSI).
2. HSI is a major CPR, emergency care, and safety training organization, joining together the training programs, products, and services of ASHI, MEDIC First Aid, 24-7 EMS, 24-7 Fire, EMP Canada, and Summit Training Source. 2

### **MEDIC First Aid Training Programs are current, evidence-based, and peer-reviewed.**

1. MEDIC First Aid training programs conform to the
  - a. 2010 American Heart Association,<sup>®</sup> Inc. (AHA) and American Red Cross (ARC) International Consensus on First Aid Science With Treatment Recommendations
  - b. 2010 AHA and ARC Guidelines for First Aid
  - c. 2010 International Consensus on Cardiopulmonary Resuscitation and Emergency Cardiovascular Care Science With Treatment Recommendations
  - d. 2010 AHA Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care Science.
  - e. Recommendations of the Federal Occupational Safety and Health Administration (OSHA) Best Practices Guide: Fundamentals of a Workplace First-Aid Program
2. In addition to above, MEDIC First Aid PediatricPlus CPR, AED, and First Aid for Children, Infants, and Adults conforms to the 2011 Standards for First Aid and CPR training of the American Academy of Pediatrics, American Public Health Association, and National Resource Center for Health and Safety in Child Care and Early Education, Caring for our children: National health and safety performance standards; Guidelines for early care and education programs. 3rd edition (“CFOC3”)
3. A MEDIC First Aid representative participated in the International Committee on Resuscitation (ILCOR) 2005 and 2010 International Conference on Cardiopulmonary Resuscitation and Emergency Cardiovascular Care Science with Treatment Recommendations, hosted by the AHA.

4. A MEDIC First Aid representative was a volunteer member of the AHA and ARC 2005 National and 2010 International First Aid Science Advisory Board and a contributors to the 2005 and 2010 Consensus on First Aid Science and Treatment Recommendations.
5. MEDIC First Aid training programs are approved by the Department of Homeland Security, United States Coast Guard as meeting or exceeding the standards of the ARC.
6. Nearly 2000 state and federal government agencies currently use MEDIC First Aid (or ASHI) training programs to train their employees, including the United States Coast Guard, Veterans Administration, Department of Agriculture, Air Force, Army Corps of Engineers, Army National Guard, Marshals Service, Administration Office of the U.S. Courts, Forest Service, Bureau of Alcohol, Tobacco, Firearms and Explosives, Bureau of Land Management, Customs and Border Protection, and the Internal Revenue Service.
7. On whole, MEDIC First Aid training programs are currently recognized, accepted, approved, or meet the requirements of more than 1500 state and provincial regulatory agencies, occupational licensing boards, national associations, commissions, and councils in more than 120 occupations and professions.

***MEDIC First Aid training programs are taught by qualified instructors affiliated with an approved Training Center and are authorized to certify course participants***

1. Certification of participants requires instructor evaluation of hands-on skills to verify skill competency.
2. HSI publishes and administers a set of Quality Assurance Standards designed to monitor and improve the performance of HSI, its approved MEDIC First Aid Training Centers and Authorized Instructors so that the products and services provided meet or exceed the requirements of regulatory authorities and other approvers.
3. A MEDIC First Aid representative participated in the International Committee on Resuscitation (ILCOR) 2005 and 2010 International Conference on Cardiopulmonary Resuscitation and Emergency Cardiovascular Care Science with Treatment Recommendations, hosted by the AHA

## From Your Regional Directors

First I would like to say Reba and I are honored to be your new Region Directors. We have a lot to learn and big shoes to fill, so we covet your patience and assistance as we go through our new learning curve.

One of our first major projects is to attack the membership decline and rally attendance dilemmas in our Region. I have asked the District Teams to help and I am pulling out my old TQM (Total Quality Management) training to address these issues. Our goal is to reverse these trends!

Do you know there is a recruiting rewards program now being offered by the home office and free Rider Ed videos given to those who renew their memberships? For every 5 households a member recruits he will receive his choice of a free 1 year membership renewal, free Wing Ding registration or a \$55 gift certificate for merchandise from the GWRRA store. The money can also be “re-gifted” to the chapter to pay the annual charter fee. From May 1 to September 30 if a member renews his membership for 1 year he will receive a free download for one of the Rider Ed videos. For a 2 year renewal, 2 videos and for a 3 year renewal, all four Rider Ed videos.

Do you know you can now read Wing World online via Apple or Android devices? Check your smart phone apps store for the Wing World app. Check it out!

The Texas and Arkansas Districts have both completed their rallies for the season. They were a blast! Congratulations to Robin and Mike Thacker, Mildred and Johnny Glasscock and their respective District Teams for a job well done!

The Region H team would like to thank Garry and Phyllis VanBuskirk for their outstanding service to Region H. They are stepping down as Region Assistant Directors as of the end of May. When you see them around give them a hug and a pat on the back. You can expect them to still be active. In fact, they were one of the first on the Bike Show sign up list for Wing Ding. Thanks Garry and Phyllis!

Riding season is here. Get that Gold Wing out and ride! Several of our chapters are having events and anniversary celebrations this summer. Surf the internet and find one close to you that you can attend. Don't forget Wing Ding in Huntsville, AL the first week of September. Reba and I could use your support during the Couple Selection on Wednesday afternoon. Wear safety green or yellow and be loud! We hope you will help with the bike show on Friday as well. The sign-up sheet for the bike show is now posted on the region webpage. We encourage you to sign up as soon as possible.

***Jim and Reba Berry***  
***Region “H” Director***

## From Your District Director

The Texas District Rally has come and gone. We are very excited that the numbers were up from last year and hope to get more support from the great state of Texas next year. If everyone could just bring one more couple, we would triple in size.

The Mayborn Convention Center was a great place for the Rally. It is centrally located and has enough classroom space for all the seminars. The Vendor area was more than sufficient to accommodate everyone. We already have more vendors lined up for next year. The concession stand staff did a great job in having the salads and sandwiches pre-made to sell down both hallways to keep the lines to a minimal. The Convention Staff was great and available to us for whatever we needed. How about that ice cream float bar?

We had several people signed up for the Level IV lunch which was catered by The Cotton Patch restaurant. We had chicken fried steak, mashed potatoes with white gravy, green beans, salad and Dr. Pepper Cake. They did an awesome job.

We would like to give a big Thank YOU to Donna and Dan Rymarz from Chapter G2 in Greenville Texas for assisting the team in taking pictures. I believe Donna took over 2000 pictures, she did a great job. We had three awesome couples participating in the Couples of the Year Selection Process. Leroy and Andrea Douglas-Chapter T, Kenny and Diane Shults- Chapter N2 and Randy and Kathy Reese-Chapter O. They all did a great job and had fun doing it. We would have been proud to have any one of them join the Texas Team as your Couple of the Year Ambassador. Randy and Kathy Reese from Chapter O were selected and will be a great asset to the team.

We had several seminars at the Rally and would like to thank all the instructors that took their time to help us inform the members about First Aid/CPR, Experienced Riding, Fun Activities, Managing Change, Chapter of the Year Shop Talk, Delegating, Motor Awareness, Membership Benefits, information about what Riders Education Program is about and information seminar for Road Captains.

We also had a lot of fun activities planned for everyone. We had BINGO, the light show, bike show and On-bike games (more for next year). We had several new things at the rally this year that sparked a lot of interest. We had The Chapter Feud and the Not so Newly Wed Game. We also brought back the Talent Show. If you did not make the Talent Show to see the District Team put on their own talent show called the Cripendales, you missed a good laugh. We were so happy to see everyone come out and support the Texas District.

We know that what it takes to get people to come and visit and support the District, is to have fun and plan it so that everyone else is having fun. Now for next year, we have already been making plans. We will be back at the Mayborn Convention Center for the Mid-Winter Round Up on January 9, 2016 and the Rally will be on May 19,20 and 21, 2016. The title to next year Rally is "Happy Trails to Temple." We have come up with the thought of Texas being a western state, that we might kinda stick to the western idea and just change the theme every year to something different. I can tell you that were planning on having a Square Dance and grub for Level IV. Now that we have all year to plan this event, no telling what fun we will come up with. Start putting your thinking caps on about western attire and what to do for a Talent Show.

***Mike & Robin Thacker***  
***District Directors***

## GWRRA Vision

Gold Wing Road Riders Association [GWRRA], founded in 1977, is recognized as the world's largest single-marquee motorcycle association in the world. GWRRA provides safety, technical, and educational services to its Members world-wide.

## GWRRA Mission

Dedicated to our Motto; Friends for Fun, Safety and Knowledge, GWRRA Members enjoy the freedom of belonging to a not-for-profit, non-religious and non-political organization.

## GWRRA Values

**Friends** - GWRRA Members are men and women from all walks of life with varied interests and backgrounds. We have Gold Wing and other touring motorcycle riders of all age groups. Some ride solo and many ride with small and large groups! New Members join GWRRA especially for the technical information we share; some of our Members join for the enjoyment of riding with friends and also meeting new friends. Find your future riding friends with your [Region Map](#).

**Fun** - As a family organization, GWRRA has certain fun groups to include restaurant, picnic and campout runs. We also have GWRRA groups to include charities, parades, and small or large events across the country. GWRRA Members can participate in live or video seminars through [Rider Education Programs](#).

**Safety** - We strive for improvement through GWRRA safety workshops. We will share technical expertise, news and tips about riding, maintenance and the best touring routes in the world. [Safety is for Life](#) on our GWRRA Rider Education Programs page.

**Knowledge** - While generalization about a group of individuals as large as today's GWRRA is difficult, GWRRA Members are likely to be independent thinkers, fun-loving, generous, adventuresome, cooperative and unfazed by the natural challenges of riding in the rain, temperature extremes or highway uncertainties. Many Members have Find " CPR and First Aid Training " on our GWRRA Medic First Aid International® Programs.

## ***Why belong to GWRRA?***

There are many benefits to becoming a GWRRA Member. As a Member you will enjoy camaraderie and fellowship while enjoying the comfort of belonging to the largest family of Gold Wing/F6B and other touring motorcycle owners. We like to share our pleasure in the freedom of riding motorcycles with others like ourselves. Our Members strive for improvement by attending GWRRA live, video and webinar safety workshops. We offer an emergency towing and roadside assistance program called Rescue Plus. This is a benefit that ensures peace of mind, day or night. Among our 60,000 + skilled and dedicated Members can find the answer to almost any question regarding the Gold Wing! Your special Membership Card signifies your membership, along with many other benefits such as; discounts at touring motorcycle dealerships, designated hotels, campgrounds and travel agencies. As a Member, whenever you need help traveling, our Gold Book Directory connects you with your nearest friends, worldwide. Our most important benefit is sharing how to safely enjoy motorcycling in more ways than you thought possible. Belong to GWRRA!
