Chapter G2 Meeting: (6:00pm dinner, 7:00pm meeting starts)

On the first Tuesday of the month, G2 meets to discuss Chapter, GWRRA and ride information at The Buffet Palace (3202 I-30, Greenville, TX 75402) This has been the main Chapter meeting historically.

On the Third Tuesday of the month, folks closer to the metroplex have an opportunity to gather together at Napoli's Restaurant in Wylie. (701 N Hwy 78, Wylie, TX 75098) - (972) 442-4653. This is for passing on information shared at the Greenville meeting and to enjoy the company of others we get to see less frequently.

From the Chapter Directors

Welcome Road Runners,

First we have an announcement from GWRRA customer service.

Greetings to all GWRRA Members! Please read the following information for important details regarding parking and pets at the Gaylord Texan!

PARKING:

If you are staying at the Gaylord Texan, there is a \$10 parking fee in addition to your room cost. That parking fee has been negotiated down from \$18.50/day to \$10.00/day. This is a great deal! As you likely know, this caliber of a resort is usually well over \$300/day plus resort fee plus parking fee, etc., but your Wing Ding rate is just \$159 plus the discounted \$10 parking rate.

You will simply use your room key to gain access to the parking areas!

For those who are not staying on the property (perhaps staying at another hotel or camping nearby), the current Gaylord Texan parking fee structure states that you would pay \$10.00 each time you entered the lot. According to this structure, you would be charged \$10.00 every time you returned to the lot from a ride, re-entered the lot after taking your bike into the building for service, etc. **We, GWRRA, felt this was unfair to those choosing to stay at another location, and negotiated an option for you to purchase a parking pass for \$50.00, good for the duration of the event. This parking pass will allow you to enter and exit the lot as many times as you'd like throughout the event, August 29 - September 2. This parking pass, and price, was negotiated**

with our Members' best interest in mind, giving you the best possible option under the circumstances. These parking passes (\$50.00) can be purchased at the Valet Desk inside the Lobby of the Gaylord Texan.

All parking fees are imposed by the Hotel Parking Management, not GWRRA.

PET POLICY

We love our fur babies as much as anyone, however, the Gaylord Texan also has a strict "No Pets" policy. Service animals will be permitted, but proper documentation will be required. Please plan for this accordingly.

Next from the District Directors Mike and Robin Thacker:

Good afternoon to everyone. Time is getting closer for your Rally. If you notice, every time we talk about the **RALLY we refer to it as YOUR rally, that's because** it is your rally. The District staff of Texas is here to serve you and our Texas members. This is why every year we put together a place for us to get together and visit and have fun. We have over 3000 members in the Great state of Texas. As you know, not all members participate or join in on all the fun we have. Your District staff works all year on fun and informative things to do during the District Rally. We have CPR/First Aid, A riding course, 2 new ITCP classes along with a MAD seminar and a couple of other seminars. Just to keep you informed, we are not having the Talent Show or On Bike games this year but we have several off bike games and Of course, the Not so Newly Wed Game and Chapter Feud. We also have another game we will bring in if we see people not having anything to do. There will be the COY selection, Dress competitions and of course our pride room, with our banners, mascots, scrapbooks. Don't forget to bring your Chapter Stuff. Show off your PRIDE. There will be 2--500.00 Grand Prizes and the COY Gift Card. We hope to see everyone there. This is our last year as your Texas District Directors and you will get to meet your new Texas District staff.

The Chapter is having a garage sale the 13 and 14th of May. I request you donate anything you can to the garage sale. Aside from making money for the Chapter it is also a good chance to meet with other members of the chapter and have some fun. Tom and Judy sent out a separate email on the sale so if you have any questions let me know.

All for now till next month ride safe.

Check Your Forms

Rider Education regularly updates our “N” forms but usually does not always send out notifications. The N-7 form (used for Levels I-II-III) was updated last April but I occasionally see the old form being used. You can upload all the new forms at the REP officer site at <http://www.gwrro.org/regional/ridered/officerpage.html#a4>.

Texas District Raffle

We are down to the wire to sell our raffle tickets. Remember that we are able to provide Levels patches and pins as well as the Level 4 breakfast at District free of charge as a result of last year’s sales. We would love to be able to do this again next year. This year, each ticket sold will be entered into 2 drawings for YETI packages. The first drawing will be a Tundra Roadie 20 Cooler (fits on a trailer tongue well) and two large YETI tumblers. The second drawing will be for a Hopper soft-sided cooler, a Rambler Thermos, and a two lowball rambler.

Upcoming Major Events – Time to Ride!

May 5 – April N.6 Reports and Quarterly MAD reports due

July 13-15 – Arkansas District Rally; Eureka Springs

While I was at the Region Rally, I was able to get an instructor to come to our monthly gathering in June and give us a Motor Awareness Seminar. Region H Motorist Awareness Coordinators Mike and Becky Stevenson will be at our meeting on 6 June 2017. There will be one at the District Rally but in case you cannot make the Rally you can for fill the requirement for your level 4 at the meeting.

I’m in the process of getting everyone’s levels updated with the classes they have completed. You can check and see where you stand by logging on to your own record at the National Website. You go to GWRRA.org. Select programs then Rider Education. When you get there select MY R.E. Education. A log in screen will appear. Select the box **I need help signing in** and a screen will appear telling you how to get your logon and password.

This site is meant for the membership to check and track their GWRRA Rider Education Levels status, riding courses and seminar information. If you find any discrepancies in your information please get in touch with your Chapter Educator to correct the error.

If you need help just let me know. All for this month ride safe.

Road to the Region Rally.

Ione and I left our house at 0900 on Thursday 27 April 2017, headed for the Boogie Woogie Down to Marshall for the Region H Rally. We have been to Marshall for the Region Rally many times so it was just a matter of choosing which route we wanted to take. We had prearranged to meet Tommy & Judy and Jim and Barbara at the Dairy Queen in Emory. We got there at about 930 and the rest of the group was already there. There was only one problem. The Dairy Queen was not open yet. So we went about a block to the Shell station for a pit stop and get some refreshments. We planned on stopping a little ways down the road for breakfast. We went about 30 miles down the road when we came to the US 80 bypass around Mineola. As we turned left and went about a mile I sighted our breakfast stop, the second home to Gold Wingers in Texas a Whataburger. After an enjoyable breakfast we were back in our vehicles and on the road in about 40 minutes. I must mention none of our group decided to ride our bikes. Weather, recouping and fatigue were the major factors for choosing 4 wheels instead of 2. In any event the rest of the trip was uneventful with the group getting to the Convention center about 1130. We choose to go there first and register then go check into the hotels. The few vendors that were there were setting up and registration did not begin till 1 PM. We discovered that George was at the Convention center so we had a total of 7 from G2 at the Convention. We basically wasted time till we could register then headed for the hotel room. The one thing we did learn was read the events calendar very carefully. I didn't see a Motor awareness class listed and assumed there wasn't one. Come to find out Friday after the class it was called Bee Smart instead of listing as a Motor Awareness' class. We all missed the class that we needed, and were disappointed as there were not that many other classes. Later on Friday we went to the Hotel and Checked in. We all stayed in the Arya Inn. This was the old Motel 6 off Interstate 20 and Highway 59. For the 36.60 I paid for the room I could not complain. The place was clean, had a really hot powerful shower, TV, air conditioning, microwave and 2 beds. No breakfast but Tommie had us covered by bring a coffee pot. After settling into the hotel room, Judy and Ione headed for the Casino in Louisiana and the rest of use went back to the Convention Center for Opening Ceremonies. While we were gone there was bingo and other games as well, including a Boogie Woogie Line dance class. Opening Ceremonies were good with a Boogie Woogie show. After the ceremonies we headed to Golden Coral for dinner. That has to be my favorite place to eat because no matter what you are in the mood for you can get it there. On top of it all the desert bar is heaven with the varied selection of cakes, pies, puddings, fruits, ice creams and all

the toppings. After getting my fill of everything I wanted headed back to the motel and called it a night. There was free ice cream down town but we had our fill at the Golden Coral.

Friday started off with Tommie making coffee while everyone woke and got ready for the day. We had breakfast at the I Hop before going to the convention Center. I must make note of the truly outstanding Cheeseburger omelet that I had. It looked good on the menu and I was not disappointed when I ate it. Ione and I went back to the motel as we had to check out so we could leave from the convention center. I had to teach a class Saturday morning in Dallas. The rest of the group went to the convention center and attended classes that were offered. Ione and I got to the Convention center and spent money at the vendors. We also talked to members of the Region H staff and Volunteers and the tables. The group meet just about 10 and Went into the theater for the Region Couple of the Year Completions. All the couples were great at their presentations but as you know there can only be one winner. Morning seemed to fly by and it was time for the free lunch at the Honda dealer. As was expected there was a great turn out for the lunch and parking was limited. After standing in line awhile we got to eat. After lunch Ione and I bid fair well to the rest of the group and headed home. There was other classes that could be attended as well as a Medic First Aid and a Trike course. Ride home was uneventful. Little did we know how sever the weather would get in Canton just 24 hours later. All in all the Rally was ok but I must admit I was used to larger ones. Maybe next year with the Rally scheduled for Paris it will be better.

Greetings Roadrunners!

Just a reminder that our chapter garage sale, bake sale fundraiser and people's choice bike show is set for May 13th at Tommie and Judy's house, 4813 FM 982 Princeton, Tx. 75407 214-802-5046 or 214-534-4742.

All items are donated, and the funds from same go to the chapter. No private sales on the side, no exceptions.

Gather up your treasures and bring your already priced donations to our house on Friday, May 12th between 9AM and 3:30PM.

If at all possible, clothing should be on hangers. We have plenty of space to display them.

The goal is to organize things as they come in. We'll have tables set up when you get here, and when we're done loading on Friday we can just pull them back in the garage, already set up. In a perfect world, all we'll have to do on Saturday morning is pull tables out, set up the bake sale, get signs out and HAVE COFFEE!

Bake sale items can be brought Friday or Saturday. Please mark your items.

By all means, please get the word out any way you can to publicize the event.

A gentle reminder that Tommie will not be able to drive or lift anything, so we will need some help Friday afternoon to put the loaded tables in the garage, early Saturday morning to set up, and after the sale to break down and load things. We want to be ready to go between 7:30 and 8AM on Saturday. We will shut down around 4PM, or sooner if we don't have any traffic.

Anything not sold will be donated to charity.

If you want to bring your own lawn chairs, please feel free.

In summation, we need the following from chapter members:

Items marked and here between 9 AM and 3:30 PM on Friday.

People to help set up prior to and break down afterwards, both of which will require some lifting.

People to set out signs.

People to help load items not sold.

If we have a pickup load left over, I will take care of it. If we have more, I will need someone to drive the trailer to Goodwill or Samaratin Inn in McKinney on Monday.

Tommie won't be released to drive until the 25th.

WEAR CHAPTER SHIRTS

I will have some light breakfast fare and coffee when you get here. Bring a sack lunch or run get a burger. I'll have chips, dips, water, cokes and tea here. We can go to the Mexican place in Princeton for dinner after clean up.

The bike show winner will be determined by garage sale participants (people's choice).

May is Motorcycle Awareness Month. We will also use this venue as a recruiting and awareness tool. We will have GWRRA membership sign up sheets, Wing Worlds, Gold Books, Rescue Plus info and scrapbooks on display. If you want to bring your camper on Friday or Saturday for display, let us know. If you have anything else you'd like to contribute to this cause, bring it.

Please park cars on the grass on Saturday. Pavement is reserved for bikes, campers and tables.

If you have any questions or suggestions, we're all ears. Give us a shout. We'll firm this up at the meeting on Tuesday and send a reminder closer to the time. Hope you can all make it! Looking forward to seeing some faces we have not seen in awhile, and maybe some new ones!

Sending hugs to all,
Judy and Tommie

“Why hindsight is better than foresight”

Did you ever hear of Ronald Wayne? I had not, until I read this.

Ronald Gerald Wayne co-founded Apple Computer with Steve Wozniak and Steve Jobs. Wayne worked with Steve Jobs at Atari before he, Jobs, and Wozniak founded Apple Computer on April 1, 1976. Serving as the venture's "adult supervision" Wayne drew the first Apple logo, wrote the three men's original partnership agreement, and wrote the Apple I manual. He soon, however, sold his share of the new company for a mere **\$800**. As of March 2017, if Wayne had kept his 10% stake in Apple Inc., it would have been worth over **\$75.5 billion**.

George Augustus

I received a call while down in Austin helping my daughter move. It was from a person who got my name off of the GWRRA webpage, which at that time still had me listed as a GWRRA Chapter Director. This Gentleman had purchased a 2016 Goldwing, and then some months later had a financial hiccup in his life and is needing to sell the bike. Here is some of his information he sent to me. Seems like a decent deal for those looking for a new Goldwing without the new Goldwing price. I remember his saying it was listed under 20k with 25.7 miles on it (YES IT SAYS 25.7)

“I have a 2016 Honda Goldwing audio with fog lites installed on it, heated grips and seat front and rear. This is clean as a whistle nothing wrong with at all just needs a new home looking for cash sale I have title also call me at 972 8409226 ask for Fred”

From the Region Director

Hello Region H.

ARE YOU READY? It's Rally Season, finally. We start off with the LA Rally the last weekend of March. This is always a great time and Red and his LA team put on quite a party. The good times, friends and Cajun food are out of this world.

In April comes the Region Rally. We are having an underlying twist to this year's rally. We want to get you ready for the riding season. So, we are addressing several items to get you and your bike ready.

First we get our bikes ready:

Most of us know what the TCLOCS inspection is, but do we really know what we are looking for? We will set up a bike in the "commons area" in the vendor room and demo each element of the T-CLOCS throughout the rally.

Next we get ourselves ready:

Come participate in the new workshop "R U Ready 2 Ride". It is a hands on workshop which will give you new insight into how to prepare yourself for the riding season. There will also be a new workshop entitled "Away We Go" which will be a big help in trip planning. "Bee Smart" will help us keep our minds sharp. Some of us really need this!

How do we stay rested and focused while on long rides?

We will be having exercise classes that focus on the parts of the body which get tired and sore from motorcycle riding: the feet and ankles, lower back, shoulders and neck. We will have lessons in "Boogie Woogie" line dancing so you can have some aerobics to do in your motel rooms at night. Or you might want to do this at the pool to entertain your friends.

We will also have a discussion on items that may help you stay fresh and energized while away from home. I call this little power point, "Riding Nekkid!" You have to see it to get it!

There will other things as well. The opening ceremony will feature real boogie woogie dancers. The rally will feature drill teams, on bike games, people's choice bike show, light parade, talent show, district cup competition and a boogie woogie dance off, just to name a few. There will be a dutch treat dinner at several participating restaurants on the Marshall Square followed by free ice cream. H & W Honda will again have an open house/lunch for us. There will be guided and unguided lunch and breakfast rides. Thank to the folks at TX Chapter I in Marshall.

This is going to be a blast. Don't miss it. We want to see you.

Reba and Jim Berry
Region "H" Director

From Your District Directors

We are excited to here who your new Texas District Directors will be. As we write this article, whoever turned in their resume' for the position is getting interviewed by the Region staff. We have already begun to make things a smooth transition for the new Directors. We are looking forward to sitting down and visiting and helping them in any way.

This weekend we are headed to the Louisiana District Rally in Lafayette. It might rain but we are still going to visit with friends and have fun. We have seen so many times that a chapter has planned an event and just because the weather shows that it is going to rain, the director cancels the event. We say go anyway. Yes, you might not be able to ride to the event but you can share a vehicle and still go. You will still have fun visiting and laughing with friends. Just think of all the memories you're missing out on by not going. Yes, this is a motorcycle association, but it's also about "FUN" safety and knowledge.

Next weekend on April 8th we will be headed to Texas Chapter O's 30th Anniversary Bluebonnet campout/rally in Fredericksburg Texas. It is a beautiful ride to Lady Bird Johnson Municipal Park. It will be located inside the Pioneer Pavilion. It will also be a rain or shine ride. Don't forget to bring your nonperishable food item for the local food bank.

The third weekend brings Texas Chapter J's rally on April 22nd. It will be located in Beaumont TX at the Cowboy Power sports dealership at 1250 South IH-10. There will be food, prizes, games and don't forget the 25% off of items offered at the dealership (excluding tires and labor of course) More FUN offered in April. And for the last rally of the month, April 27th Lets all Boogie Woogie down to Marshall TX. to "The Region Rally". Looks like there might be a Boogie Woogie District Dance off Challenge on Friday evening. They are even having Exercise classes, workshops and the ever so popular Art Class.

Looks like that's the end of the rallies for April in Texas. Let's not forget to get out there and ride and visit with other chapters. We hope to see everyone at your TEXAS DISTRICT RALLY on May 18, 19, 20 in Wichita Falls at the MPEC Center.
