### **CD's CORNER**

From the CD:

Greetings Road Runners. The month of August went by really fast and it was a hot one. We had Numerous rides and other activities which we had a total of 75 people participate in. Thanks to everyone who did. If we keep this up we will be right up there with the bigger chapters in the state. If you would like to become more involved in the Chapter we still have multiple positions available to be filled. Get with me at the gathering or send me an email or phone call and I will match you with a position. It is getting toward the end of the year and we need to be thinking about our Chapter birthday party and Christmas party. I will be discussing it at the Gathering but if you cannot attend send me an email with your ideas.

From the educator.

If anyone is interested in becoming assistant Educator just let me know. District Educator has set up their own WEB page for Educators which outlines everything you need to know and do. New figures out for motorcycle fatalities in Texas. 2012 had 470 fatalities. 2013 had 494. That's a 5 % increase. Also what percent of crashes occur during each part of the year? Winter (Dec 21 thru Mar 19) 1,688 Crashes or 20%. Spring (March 20 thru June 20 ) 2,488 or 29%. Summer (June 21 thru Sept 21) 2,552 Crashes or 30% Fall (Sept 22 thru Dec 20) 1,818 Crashes or 21%. What does this information tell you about time of year and crashes? Ride Safe.
