Words from the Wiggins

January started with the annual Polar Bear Ride to Babe's Chicken Dinner House in Garland. The weather didn't cooperate so the ride was in 4-wheelers but nine people were able to enjoy great food and good conversation. Thanks, Harry, for organizing this annual event.

Nine showed up for the gathering at the Buffet Palace this month. Seventeen people were able to attend the gathering this month at Napoli's. Jeff & Birdie were able to attend since his work schedule changed back to normal and Tommie & Judy were able to make it since Tommie is finally mending from several procedures. Dave and Carolyn Simmons were able to attend their first GWRRA get-together after being members for about four years – Welcome to Dave & Carolyn. George made a delicious cheesecake and donated it for dessert. Thanks George!

George, Barbara and I attended the Texas District GWRRA Mid-Winter Roundup on 26 Jan at Loves Civic Center in Paris. After we turned in the financial paperwork, there were some informative presentations given. One was how to access your Levels database info. If you need help doing that, please let me know. Motorist Awareness Coordinator, Scott Finnell gave a presentation showing why we don't see a lot of the things around us. I hope to present that to the chapter in an upcoming meeting. District Web administrator Tom Sprague gave a presentation on what information newsletters and websites should contain. As an aside, Tom has done a lot of work on the district website. I highly recommend that you explore the information that he's providing there. <http://www.gwr-ra-tx.org/index.html>

We've been invited to a Valentine's dinner at 6:30 on Feb 14th. Location is Sicilano's, A Taste of Italy, in Garland. RSVP to Rich & Vickie Boslow at lonestarz2s@gmail.com as soon as possible but **NLT Tuesday, Feb 5th**.

The GWRRA North Texas Bowling Challenge hosted by Chapter P is Sunday, February 17th. Cityview Lanes, 6601 Oakmont Blvd, Fort Worth, TX 76132. Registration at 11AM, bowling starts at noon, but most folks go early to participate in the silent auction. Cost to bowl is \$15. As the defending champions, G-2 needs to have a strong presence. Even if you don't bowl, come and cheer on the team(s). It's a great event. Chapter P even held a practice session, so they'll be sharp.

The Texas District Rally will be in Paris at the Love Civic Center May 16th-18. See the enclosed flyer or click here for registration info. <http://www.gwr-ra-tx.org/2019Info/2019RallyRegistration.pdf> Details are in work, but current plans include Chapter Pride tables to include display of a chapter Eiffel Tower model (rules are here: <http://www.gwr-ra-tx.org/2019Info/EiffelTowerDirections2019.pdf>), rides, some courses such as riding, first aid & co-rider. Jim Woodul, the District Director asked us to let him know what courses are needed so they can try to accommodate them.

Please email or call if you have an activity or ride you'd like to plan and we'll try to get it set up.

IF YOU ARE INTO LOW CARB EATING YOU MAY LIKE THIS.

LOW CARB SAUSAGE ROLLS

INGREDIENTS

- 1½ cups shredded mozzarella
- 2 tbs cream cheese
- ¾ cup almond flour
- 1 egg beaten
- salt and black pepper
- 1 lb raw ground pork sausage meat

INSTRUCTIONS

1. Preheat the oven to 375F.
2. To make the dough, place the mozzarella and cream cheese in a bowl. Microwave for 1 minute, stir, then cook for another 30 seconds. Add the almond flour, beaten egg, salt and pepper, and stir well.
3. When everything is fully combined, leave to cool slightly, then knead it with your hands to form a smooth dough. Roll it out into a rectangle and slice it into two sections horizontally.
4. Season the ground pork generously with salt and pepper, and divide the mixture between the two lengths of dough, placing the meat in the middle.
5. Roll the dough around the meat, pinching the join of the dough together with your fingers. Turn it over and cut each log into 8 pieces. Slash the top of each one twice.
6. Place the sausage rolls on a baking sheet and roast for around 15 minutes, or until the center of the pork has reached at least 160F.
7. Let cool for 5 minutes, and drain on paper towels if necessary. Serve warm.

Do you have a recipe, a picture, or a story you would like to share? How about a restaurant review? If you do please send it to: vicpie11@yahoo.com for publication in the newsletter.

Motorcycle Rider Course Options

Submitted by Randy Reese

Hello Texas Riders! One of the best activities you can do for yourself in 2019 is to take a riding course to hone and reinforce your skills on the street. GWRRA offers 10 different courses to help you achieve this. I know some of you might be thinking, "Yeah, but I can't ever find a class being offered close to me!" I know a lot of you take the courses to keep your Levels current (and I strongly support that) but did you know there are a lot more classes out there that can also be counted for the Levels program?

Following is the list of "Approved" Rider Courses for use in the GWRRA Levels Program. The first group of courses have a classroom and range component and should be taken every 3 years to maintain Levels.

Riding Courses accepted for GWRRA Levels

The following courses may be taken every 3 years consecutively for Levels

2-UP	Co-Rider participating in a Rider Course (GWRRA)
3WBRC	Trike Rider Course (MSF)
AORC	Add-On Riding Course (GWRRA)
ARC	Advanced Rider Course (GWRRA)
BRC	Beginner Rider Course (MSF)
CMSP	California Motorcyclist Safety Program
CSC	Canadian Safety Council
ESCS	Evergreen Safety Council – Sidecar
ESCT	Evergreen Safety Council – Trike
MORE	Ohio State Program
MSFARC	Advanced Rider Course (MSF)
SRC	Sidecar Rider Course (GWRRA)
STAR	Idaho State Program
TC	Two Wheel Trailering Course (GWRRA)
TC-ARC	Total Control Advanced Rider Clinic (Lee Parks)
TC-INT	Total Control Intermediate Rider Clinic
TRC	Trike Rider Course (GWRRA)
TTRC	Trike w/ Trailer Rider Course (GWRRA)
VRC	Vanguard Rider Course (GWRRA)

The courses listed below may be used in the Levels program, but the next rider course must be a course listed from above. These courses are essentially “Track Day” courses and must be alternated with a more traditional course that covers all the topics of safer riding.

The following courses may be taken every 6 years, alternated with courses above for Levels

ARC-R	Advanced Rider Course Recert (GWRRA)
BBRC	Basic Bike Bonding Course (MSF)
BRC-2	MSF License Waiver
BRC-2SP	Basic Rider Course 2 Skills Practice
BRCGRP	Basic Rider Course – Small Group
OHPSR	Oklahoma Highway Patrol Safe Riders
RLAP	Ride Like a Pro (Jerry Palladino)
SPCW	Streetmasters Precision Cornering Workshop
SSKLS	John Delvecchio's Street Skills
STRR	MSF Street Rider Course (MSF)
TRC-R	Trike Rider Course Recert (GWRRA)

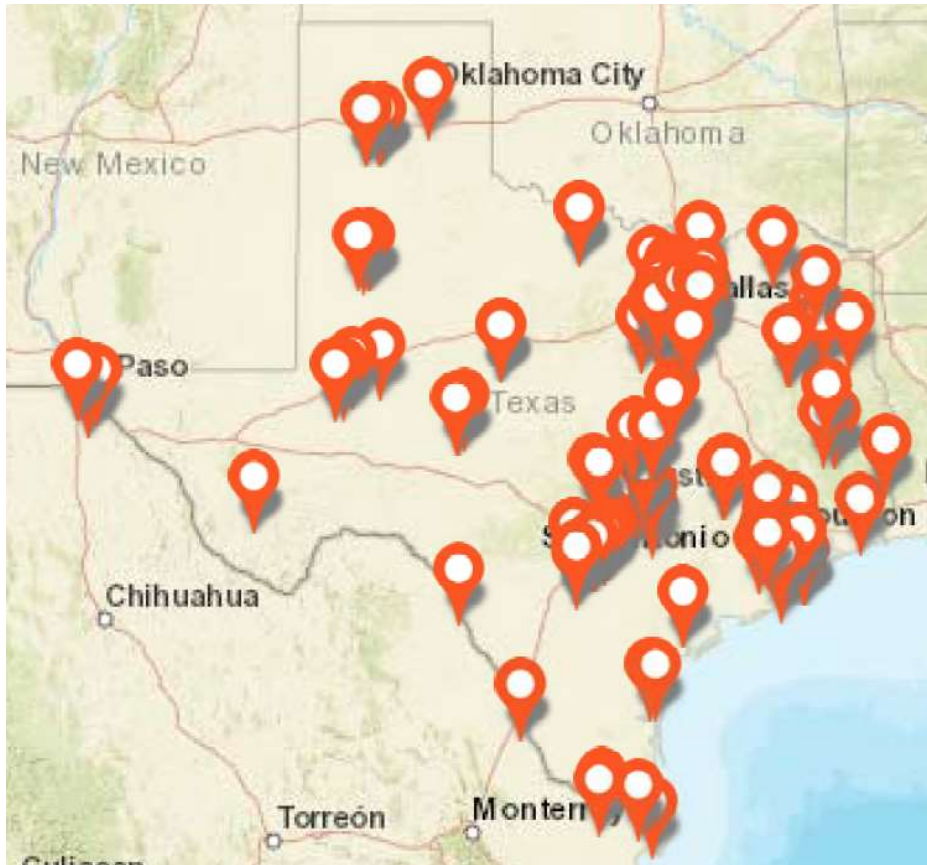

Co-Riders may of course also take the “Co-Rider” Seminar to maintain their levels.

So, where do you find these classes? Texas Department of Public Safety has a comprehensive list of over 225 accredited riding course providers across Texas that include dealerships, colleges, and private providers as an interactive map at <http://www.dps.texas.gov/msb/traininglocations/>. Many of the providers use the MSF or Total Control curriculum. If you are interested in specific GWRRA class offerings, there is a calendar of riding courses, modules, and seminars offered around the country at <http://gwrradot.com/activities/>. Be sure to check our Texas District Calendar <http://www.gwrra-tx.org/calendar/calendar.php> – It has just been revamped and in addition to all of the chapter events that are turned into us we will post all course offerings as they are scheduled. If there are specific courses or classes you are interested in taking, please contact me (txed@gwrra-tx.org) and we’ll do our best to find instructors to put on a class near you, at an Education Weekend, or at the District Rally.

Ride Safely, Ride Often, and HEY! Be careful out there!
