WORDS FROM THE WIGGINS

Jim and Barbara Wiggins, Chapter Directors

Eleven people were able to make the annual gathering at Babe's Chicken Dinner House on New Year's Day. The food and conversation were good which contributed to lots of smiles in the picture.

Seven made it to the Buffet Palace last month. Dan and Donna Rymarz (Texas District Directors) attended and updated us on happenings in the Texas District. Dan, Donna, and the district staff have been very busy with plans for the mid-winter conference, the Texas District Rally, plus all the other routine business they attend to.

Ten people were able to attend the gathering at Napoli's this month. We are glad to see that Rich is healing from his recent surgeries and was able to make it.

The Texas District staff and chapter officers held an all-day Mid-winter conference on January 22nd. This year the conference was done via Zoom. The Mid-winter Rally is held annually, and its main purpose is to accomplish District business. Financial reports for the chapters are turned in, new officers are sworn in and District plans for the coming year are discussed. The zoom meeting worked well although most participants want to meet in person next year.

Gary Wheatley, the new Texas District Membership Enhancement Coordinator (MEC) mentioned that the information on the GWRRR database is often out of date from people moving or changing phone numbers that makes it difficult to contact a person about GWRRR business. He provided the following link about how to update your information. <http://www.gwrra-tx.org/MED/MED/UpdatingPersonalInformationatHome-Office.pdf>

The District Educators are trying to schedule CPR First Aid course and Co-rider seminar to be held during the rally; however, they need to know how many would be interested in taking them. Please let me know if you are interested in taking either of these

classes at the District Rally. I don't know the cost and exact schedule yet.

Barbara and I registered to participate in the Motorcycle Grand Tour of Texas this year. If you register for it, they provide you a list of 50 specific sites within the State of Texas to visit. You must take a picture of your bike including the provided placard to get credit for the visit. You must complete a minimum of 25 sites to earn a completion patch. The registration closes this year on February 28th and the picture portal opens on March 1st to start submitting your pictures. You have until November 15th, 2022 to complete your visits. Price per rider / co-rider is \$33.56 each. See <https://motorcyclegrand-touroftexas.com/> for more information.

We're gathering in Greenville at the Buffet Palace on February 1st at 6PM and Napoli's on February 15th.

See [Texas 2020 Rally \(gwrra-tx.org\)](http://Texas 2020 Rally (gwrra-tx.org)) for more information about upcoming rallies.

The Texas District "Yellow Rose" Rally will be at the YO Ranch [Hotel] in Kerrville on April 28-30th but is planned to be a complete rally instead of a Ride-in. More information and registration form are available at [GWRRR TEXAS District Rally 2022.pdf \(gwrra-tx.org\)](http://GWRRR TEXAS District Rally 2022.pdf (gwrra-tx.org)).

Wing Ding 43 is June 28 – July 2, 2022 at the Shreveport Convention Center, 400 Caddo St. Shreveport, LA 71101. Rider Education Corner

Leo Smith, Jr.

2021 is behind us and we are already rolling through '22. That sure has a nice ring to it doesn't it? Some chapters continue to be actively participating in riding and gathering while others have put the brakes on for a while. Whatever the reason; unpredictable and crazy weather patterns, COVID surges, job obligations, etc., now may be the time for your chapter to request training. Many courses can be taken inside following current CDC and state guidelines and restrictions or online. A change in the CPR/First Aid training is still in the works, details have not yet been finalized. Now is a great opportunity to update or keep your level current. The GRACE PERIOD for maintaining your current Level or advancing (if applicable) is JULY 15, 2022. Those members not signed up for the Levels Program yet can easily get started by committing to ride safe and filling out a N.7 application found online at GWRRA.org, type in N.7 Application in search the bar. After completing it, have your CD or any officer sign it, then submit it to me for approval and final processing at txed@gwr-ra-tx.org Whether signed up for the Levels Program or not, training in various motorcycle related areas is offered to all members. One of the main pillars of GWRRA is KNOWLEDGE. We gain knowledge through education, application and experience. GWRRA prides itself on offering training to promote safe riding skills, safer roadways and a better image of motorcycling overall. In the grand scheme of things we are all just one link in the chain. It takes more than just one link, one person or one District Educator to promote knowledge and safety in order to keep our organization strong. We all must do our part.

I want to thank all the wonderful instructors for volunteering your time and talents to keep us moving along.

Several members have contacted me requesting information from The Rider Education database. As of this writing it is currently down and under construction for upgrades. Please be patient, I am told it won't be too much longer before it is back up and running. At that time the Quarterly Levels Reports will be sent out. Don't let this hinder you from requesting training!

We'd like to recognize these Texas members who have joined the ranks or increased their level in the 3rd and 4th Quarter 2021. Congratulations for your achievement!

At the end of this article is a revised form, previously used to help make tracking chapter education and safety activities and events easier for reporting. CDs, ACDs, CSEAs, Ride Coordinators, please use this and keep it up to date so that when quarterly reporting is due you don't have to dig through sign-in sheets and ride rosters etc.

Thank-you in advance for everyone doing your part so that we can Roll Thru '22 smoothly!

Gold Books coming with April's mag

This year, *Gold Book* service directories will be delivered with the April magazine. Some are bundled in clear plastic alongside your magazine. Others are mailed alone. With the pandemic and paper shortages, we have had a difficult time getting this yearly publication to print with our March mag, the month it is usually published.

The *Gold Book* includes Member names and phone numbers by state and town, along with six codes from “A” to “F” and “T” that designate which service or services, such as tools or tent space available, you will provide to other Members in distress while traveling. **The newest service code “T” stands for texting.** This code allows other GWRR Members to know that they can text to your phone number.

Remember also that there is a *Gold Book* app available to Members. Download it from the Google Play Store or iTunes store. You can also access the book online at www.goldbook.gwrra.org.

Sincerely,

Jere and Sherry Goodman

UNIVERSITY UPDATE
January 2022

Texas District Education Weekend

Good Morning Texas Gold Wingers!

The past 18+ months have had a big impact on our training opportunities. It seems like every time we think we are seeing a downturn in the pandemic levels and can start planning live Riding Courses, Seminars, and Modules, another strain pops up that forces us to become more cautious and explore ways to deliver training in a safer, alternative manner.

For the University, we offered 19 different Seminars and Modules online throughout the Spring and Summer of 2020. Classes ran two per day, five days a week, for six months and were attended by over 2000 participants. We currently have seven Texas Instructors that are certified for online instruction.

We are also promoting offering classes before or after Chapter Gatherings and during a Bike Clinic where members can attend a class in addition to working on bike maintenance. Remember, all University training is free and open to members and non-members alike (great recruitment tool). Riding Courses and Medic First Aid classes usually have a small charge to cover materials and expenses.

Finally, we have not held a District Education Weekend since 2019 but we hope to hold one this spring (possibly in March). We are in negotiations for a location and date and will release details as they are confirmed. In the past we have offered 1-2 Riding Classes, MFA classes, a Ride Captain class, Co-Rider class, and 3-4 seminar/modules. Depending on the response it can run one or two days. If you have a particular need or class you would like to see offered, please contact Dan Rymarz, Leo Smith, or Randy Reese with your suggestions.

Have a Safe and Happy 2022!

Randy and Kathy Reese

Ride Coordinator

By Sam Belinoski

What is the role of a Chapter Ride Coordinator?

The focus of a Chapter Ride Coordinator needs to be on riding. The Chapter Ride Coordinator coordinates chapter rides. As an Officer, and part of the Rider Education Program, the Ride Coordinator needs to believe and participate in our Rider Education program and be at least

- 1) a Level 2
- 2) a Road Captain.

The role is not the same as the previous role of the Chapter Educator as there are no reports. Your energy and focus are on planning or helping assisting planning all variety of rides that suit your Chapter Participants.

As you get ready for a ride, you will conduct an informative Rider Meeting to encourage safety, i.e. vehicle inspections, group riding techniques, safety clothes and more.

You accept the Riders that

show, and they need to be in compliance with State law.

You will encourage, communicate, and lead the way in sharing GWRRA's benefits of safety as developed through our Rider Education Program.

Keep in mind the reason we all own our motorcycles, the fun of being on the road and riding with our friends. You just make it safer and a lot more fun.
