WORDS FROM THE WIGGINS

Jim and Barbara Wiggins, Chapter Directors

George, Jeff, Jimmy and Patricia, Ross and Barbara, Dave and Shirley, Dan and Donna Rymarz (TX District Directors) and Barbara and I, were able to attend the gathering at the Buffet Palace last month

Our lunch ride to the Lumberyard Café in Edgewood on Saturday, April 9th went well although we didn't have many people. Ross and Barbara met Barb and I at the Shell station in Quinlan, but we were met at the restaurant by George and Glen Thurman. The weather was great and made a very pleasant ride to Edgewood. The restaurant seated us in a quiet area that made conversation easy. The Lumberyard Café is highly recommended

Nine were able to make it to Napoli's. George, Jimmy and Pat, Ross and Barbara, Rich and Vickie and I were joined by my friend Diane, a dedicated Patriot Guard rider who joined us since we had just completed a PGR mission in Greenville. Unfortunately, Barbara couldn't attend. She is still taking a lot of good-natured ribbing for that.

1 We plan to meet in Greenville at the Buffet Palace May third (the first Tuesday of the month) at 6PM and at Napoli's in 2 Wylie May 17th at 6PM. Drop by for some good food and conversation. 3

4 Greetings from the YO Ranch in 5 Kerrville. The closing ceremonies for the 5 Texas District Rally were a couple of hours ago and we just got back from eating. 6 Unfortunately, a couple of small storms 7 blew up while we were at the restaurant, but we made it back to the hotel with just a 8 bit of drizzly rain with some distant 8 lightning. George, Ross and Barbara and Barbara and I were able to attend the rally 8 this year. My son Erik and his wife Lori from Chapter T accompanied Barbara and I to the Rally. We love that since we get to spend time with them. 11

Barbara and I arrived here Thursday with Erik and Lori (our son and daughter-in-law) from Gatesville. Though the trip from Gatesville involved some drizzle, there wasn't heavy rain. On the way down, we stopped at Hill Country Motorheads vintage motorcycle museum in Burnet. It's an interesting museum with a broad range of bikes to look at. Many of the bikes were from the 1960s through 1990s. After the museum stop, we headed to the River City Grill in Marble Falls for lunch. Good food and nice view of the river. Worth the stop if you're there.

During the closing ceremonies, Barbara and I were completely surprised. We were called to the front of the venue and Dan announced that members of Chapter G2 had recommended us to be Chapter Couple of the Year. It was totally unexpected! Thank you to anyone who was involved with us being honored with this award. We appreciate your support.

Though we're heading home on Sunday, lots of folks are heading out in the morning for a 5 day ride to tour the Big Bend area.

We commend Dan and Donna Rymarz (District Directors) and the entire Texas District Staff for planning and executing the rally. There are many details that they take care of before and during the rally to make it seamless for the attendees. You succeeded! The whole staff needs to take a deep breath and relax for a bit. You did well.

Next year's District Rally will also be at the YO Ranch [Resort].

Chapter G2 Meetings:

GroupWorks:

<https://app.groupworks.com/#/groups/4534>

On the first Tuesday of the month, G2 meets to discuss Chapter, GWRRA and ride information at The Buffet Palace (3202 I-30, Greenville, TX 75402) This has been the main chapter meeting historically. Dinner at 6:00pm, meeting starts at 7:00.

On the Third Tuesday of the month, folks closer to the Metroplex have an opportunity to gather together at Napoli's Restaurant in Wylie. (701 N Hwy 78, Wylie, TX 75098) - (972) 442-4653. This is for passing information shared at the Greenville meeting and to enjoy the company of others we get to see less frequently. Gathering starts at 6:00 pm.

Local Area Chapter Gatherings

Rider Education Corner

Leo Smith, Jr.

After an accident, the people you ride with want to be useful. They will feel helpless enough if they aren't medical professionals with adequate gear to start making a difference, for in serious accidents, first aid seems superficially valuable or is even impossible to render. If they have access to communications and to important information, however, they can still help save your life. Here are a few tips to keep in mind should you incur such a situation. The first four are offered to enable your fellow riders to help you immediately, the rest over the longer term.

Carry a mobile phone when you ride, if possible. If you don't have one or forgot to bring it, ask who in the group has one and where on the bike it is kept. It also helps to have an ICE (In Case of Emergency) number listed.

Carry legible ID and keep it current. If you've moved since your driver's license was issued, you can get a ticket for failing to update it -- as well as cause confusion about such basics as "where does he/she live?" Check or sign the organ donor box on it, if you would want to donate in a worst-case scenario.

Carry a list of medications you take routinely and keep it current. List allergies or medical conditions that EMS techs/ doctors need to know about in order to treat you.

Carry a list of persons to contact and their current telephone numbers, including area codes. If those living with you are likely to be hard to reach, or you live alone, friends who ride with you should be able to figure out easily who to call from information on your bike or your person. (Even if they can gain access to your home by taking your keys from the scene, it doesn't mean they can find your address book).

Hospital and emergency personnel will presume that an unconscious person has given them consent to save his or her life. But even when a rider has a close family member who can legally take over subsequent medical decisions (as far as the hospital's lawyers are concerned), your fellow members may still be uncertain about which family member should be given your valuables, your keys, your jewelry, and access to your home -- especially if the family members argue about it when they get together to meet the witnesses and pick these items up.

It is unfortunately only a cheerful fiction that all of a downed rider's brothers and sisters and in-laws will be getting along splendidly the week that an accident happens -- not to mention the new lover and the ex-spouse. Would you want your cousin who's on parole rummaging through your mail while you're laid up? If you have no skeletons in your closet of relatives, you can ignore these suggestions. But for many of us, there are some troublesome realities among our relatives. So, for the longer term....

Have a durable Power of Attorney prepared appointing someone close to you to be in charge of your business and legal affairs, in writing. "Durable" means the person designated can act for you even if you could not act for yourself (i.e., if you were unconscious, or sedated for a long time). This is not a "form" document that you can buy, but it is usually inexpensive to have it prepared. "Close" means living in your area as well as close by relationship: if someone is making decisions critical to your well-being, he or she will be better informed after talking to your doctors face to face, if possible.

If you have given someone verbal authority to act for you in an emergency, do not leave written authority appointing someone else. Revoke conflicting Powers of Attorney and have a correct one prepared. Then tell someone who rides with you whom you designated! If you don't want to discuss this every time you go out, put a copy of the durable Power of Attorney with the list of phone numbers on your bike, or leave it with someone who is on that list of persons to notify in case of an accident.

If you're riding with someone who goes down and are helping at an accident scene, get the name of the investigating officer in charge and find out where the vehicles are going and where the accident report will be. Take photos if you can. Retrieve the rider's ID, insurance card and personal items from the bike and protect them. Find the lists of phone numbers and medications as soon as possible.

Riders who witness a serious accident will be somewhat in shock even if they were uninjured. If you are managing an accident scene where a friend has been hurt, let bystanders help you as well as your friend, if they can. Don't rush to get to the hospital once your injured friend has been removed from the scene. Take time to collect yourself before riding again. Have a drink of water (shock can make you dry-mouthed), and try to remember to thank the emergency personnel and any bystanders who helped you, before you leave

Revised from GWRRA NC District Newsletter May 2021

Ride Safe, Ride Smart!

Leo Smith Jr

GWRRA TX District Educator

Dear Texas Directors and Friends

The 2022 Texas Rally was a [whopping] success. Everyone had FUN. Some walked away with some big prizes. Mostly it was a time for renewing friendships. It has been a long time since our last rally in Paris Texas. To see all the fun and remember who was at the rally go to the Texas District Website and navigate to FUN -- Photo Gallery and do load the PDF file with the rally review by clicking on the Rally Logo

For a direct link just click on the following

<http://www.gwrra-tx.org/GalleryOld/gallery1new.php>

Note on your calendar next year's Rally is at same place (Y.O. Ranch Hotel) April 27, 28, 29, of 2023

Tom Sprague

The Three Sisters Ride

I went to Kerrville a day early so I could ride The Three Twisted Sisters routes: RR335, 336, and 337. I did the ride on Thursday. I had to leave rather late because it rained earlier that morning.

From Kerrville, I took Hwy 16 to Medina (now *there's* a twisty road), then I took RR337 west to Vanderpool. This is the longest of the three, and some say it's the twistiest. At Vanderpool, I was supposed to continue west to Leakey, but I was looking for a barbecue place—The Hog Pen. I thought it was close to Vanderpool, but I could not find it. So I gave up and got back on RR337 west to Leakey. Note: if you go north from Vanderpool on Hwy 187, there is a motorcycle museum that is worth seeing— The Lone Star Motorcycle Museum. I did not get to go on this trip, although I have been there before.

At Leakey, I decided again to look for The Hog Pen. I was actually very close to it there, but I took the wrong road (Hwy 38) and missed it. Again I gave up and continued west on RR337 to Camp Wood.

At Camp Wood, I turned north on Hwy 55 to Barksdale, then I picked up RR335. This is the best of the three sisters roads, in my opinion. It has lots of hills and valleys (think of a roller coaster). I spotted a flock of large black birds on the ground; as I got closer, I saw a black hog in their midst. A bit further up the road, two turkeys ran across the road. When I got to Hwy 41, I turned right for 14 miles to reach RR336, the middle of the three sisters. From Hwy 14, RR336 leads back to Leakey. This road has open livestock. I rode through a herd of cattle standing on either side of the road. I knew that The Hog Pen was on that road. I got there finally and had a brisket sandwich and chips. The brisket was excellent. They are very friendly folks there. Even their big dogs are friendly. I'll swear their big old dog remembered me from the previous time I was there. I recommend it highly. Then I continued on into Leakey. I missed the road to the motorcycle museum, and it was getting late, so I left it for another day. I got into Kerrville about five o'clock. I had used 6.5 gallons of fuel and got 35.3 miles per gallon—not too bad. It was a tad over 229 miles the way I went.

George S. Augustas

GWRRA UNIVERSITY UPDATE April 2022

Randy and Kathy Reese Texas District University Coordinators

512-744-3635 rmreese@sbcglobal.net

ITCP and GW-101 Multi-District Training

Texas, Oklahoma, Arkansas, and Kansas are teaming together to host two Training classes over the long Labor Day Weekend, September 3 and 4, 2022. Both classes are FREE and will be held in Stroud, Oklahoma. See the flyer below for details and contact persons.

SEPTEMBER 3 & 4, 2022 GWRRA UNIVERSITY TRAINING EVENT

Presented by the multi district areas of Oklahoma, Kansas, Arkansas and Texas & the Director of GWRRA University, Lorrie Thomas as she helps us in this weekend's training.

Sept 3: ITCP Instructor Training. With this you will be able to facilitate any module on the University site that your RE levels would allow. In order to participate you must:

- First you must watch the 4 videos at gwrradot.com under the tab "ITCP Training"
- Then complete the ITCP Inquiry Form
- Finally, Lorrie will contact you by Zoom for an instructor's interview.

This must be done before you can participate in the Instructor Training.

Sept 4: This will be GWRRA 101 – A great opportunity to learn more of the history and leadership responsibilities in GWRRA. Anyone who is a member will benefit from this training

Please RSVP Mark Classen

mnlclassen@gmail.com

by 6/30/2022

**8:00am – 5pm
Event held at the
Cattle Country Lodge
1200 N 8th Ave
Stroud Oklahoma

Ride Coordinator

Sam Belinoski

To Be or Not To Be... With Your Helmet

In our continuing effort to encourage a progressive motorcycle safety program, we hereby announce a unique policy that will hopefully benefit all riders. It is a motorcycle helmet exemption program. If you are one of those “hard headed individuals” that wants to let your hair blow in the breeze, who feels a helmet shortens his/her neck, and that in general it is just a pain in the “you-know-what”, this program is for you.

Every rider is “suggested” to wear a helmet while riding. But, if you earn a Certificate of Exemption, you will be excused from this requirement. The program works like this: Basically, if your head meets the standards for head protection, you don't need a helmet. Contact the chapter educator to be tested at the earliest possible date. Upon success for completion of testing, you will receive a beautiful embossed certificate, suitable for framing, identifying your head as conforming to American National Standards Institute (ANSI Z89 and Z89.2, Classes A, B, C, and D) and Department of Transportation (DOT). You will also receive a wallet-sized card that you must carry on the motorcycle. The test includes the following:

1. You will undergo a 24-hour water immersion test. The maximum permitted absorption is 0.5% by weight. The chapter, at no charge, will furnish air.
2. Passing that, an impact test will be conducted. While lying horizontally, with your head resting on a steel plate, an 8-pound steel ball will be dropped on it several times from a height of five feet without damaging your hair.
3. Next, your head will be subjected to the application of a variety of acids, solvents, oils and road surfaces. It must pass without damage or deficiencies.
4. Then, a propane torch will be used to determine if your head is fire resistant. If only slow burning, you may achieve a Class A or B rating. If there are any holes in your head, it will restrict you from Class A rating.
5. On the final test, you must sustain 2,200 volts AC, 60 Hz, for three minutes with leakage currents not to exceed 9 milliamperes. Breakdown has been established at 30,000 volts.
6. All tests must be conducted at a variety of temperatures ranging from -20 degrees to 140 degrees Fahrenheit.

If you don't feel you can qualify, don't despair. Although not as pretty as your hairdo, your motorcycle helmet does provide protection for your head from all the above.

Remember, unless you can receive an Exemption Certificate, you should continue wearing your motorcycle helmet. Not wearing one is a privilege that will be granted only to those who are properly certified and designated as a genuine HARD HEAD!

SHIRT AND HAT SALE

The Chapter has some hats and shirts available. Designs vary a little since they were ordered at different times, but most are a variant of the front and back shown in the picture. The back is the large logo while the front has the G2 designator on the left breast. Let me know if you're interested and I'll bring to a gathering or arrange some other so you can see them or take more detailed pictures.

Jim Wiggins– contact info in the staff section.
